

# Conservation Education Materials Request Form

## Missouri Teachers & Youth Leaders

This is an order form of education materials available from the Missouri Department of Conservation. Any of these publications or parts thereof may be reproduced for classroom use. These materials are provided free to Missouri teachers and youth leaders (they are not available to nonresidents). Please allow four weeks for delivery. **Some items may be out of stock or under revision as we are updating many of our materials. Please reorder those items at a later date.**

### Tell us about yourself

**NOTE:** Please help us be wise users of our resources. If you are ordering for your school or classroom, using your school address can help us keep our shipping costs low. UPS will not deliver to a P.O. Box number. **Incomplete information may delay processing your request. Thank you for your cooperation.**

MDC  
**DISCOVER  
nature**  
SCHOOLS

**Exciting hands-on, GLE-aligned instructional units that bring students outdoors and closer to nature**

#### Discover Nature—Schools

is science/conservation education at its best. K–12 units help students get outside to experience hands-on learning in nature close to home.

● **middle school** aquatic unit now available

● **elementary** pond, forest and prairie ecosystems unit piloted in January 2009 and available September 2009

● **high school** ecology/wildlife management unit and k–2 science unit now being developed

● **teacher** guides with activities designed to meet state standards and aligned with Grade Level Expectations

● **grant** opportunities for field trips, outdoor classrooms and classroom materials to support instructional units

# Early Childhood

These materials are designed for preschool through grade 2 teachers. Check items requested.

## Early Childhood Program

A comprehensive conservation education program which includes a 336-page teacher activity book, *Conservation Seeds*, seasonal posters and animal and habitat cards.

- ☐ Please send me the *Conservation Seeds* program package. E00266

## Kindergarten and Grades 1 and 2

*Woolyworm*, *Tadpole* and *Crawdad*

Classroom teachers and home school educators, enroll for our quarterly newspapers for kindergarten and grades 1 and 2. Newspapers arrive in October, December, February and April, with a seasonal theme. *Conservation Teacher* comes with one copy of the student newspaper. Please make as many copies as you need for your class or school. Check the circle for your level.

- ☐ *Woolyworm* for Kindergarten ☐ *Crawdad* for Grade 2
- ☐ *Tadpole* for Grade 1 ☐ Special Education (1 of each level)

## Other Materials

- ☐ *Counting on Conservation* poster: A 25" by 38" color poster featuring the numbers 1 through 10. E00018
- ☐ *Conservation Consonants* poster: A 25" by 38" color poster featuring the letters, B, C, D, H, L, M, P, R, T and W. E00014
- ☐ *More Conservation Consonants* poster: A 25" by 38" color poster with the letters F, G, J, K, N, Q, S, V, X, Y and Z. E00085

## Student Activity Book

The following booklet is provided in classroom quantities:

- ☐ *A World Fit for Chipmunks* storybook to color: Appropriate for preschool through grade 2—indicate number of students. \_\_\_\_ E00065

# Elementary

The elementary conservation education program is being revised. Contact us or your local Education Consultant for new offerings.

## Habitat Packs

Enroll for the new thematic packs on habitats. The packs include a teacher guide, student magazines, posters and more. List the number of students.

- ☐ *Rivers & Streams Habitat Pack* for Grades 3–4 \_\_\_\_ E00524
- ☐ *Forests Habitat Pack* for Grades 3–4 \_\_\_\_ E00124
- ☐ *Prairie Habitat Pack* for Grades 3–4 \_\_\_\_ E00113
- ☐ *Wetland Habitat Pack* for Grades 3–4 \_\_\_\_ E00589

## Color Posters and Other Materials

- ☐ *Conservation Consonants* poster: A 25" by 38" color poster featuring the letters B, C, D, H, L, M, P, R, T and W. E00014
- ☐ *More Conservation Consonants* poster: A 25" by 38" color poster featuring the letters F, G, J, K, N, Q, S, V, X, Y and Z. E00085

- ☐ *A Guide to the Planning and Development of Outdoor Classrooms* (52 pp.) E00104

## Student Activity Books

The following booklets are provided in classroom quantities:

- ☐ *Missouri Wildlife Trails* activity book: Appropriate for grade 4 Missouri history unit—indicate number of students \_\_\_\_ E00093
- ☐ *Kids Fishing* activity book: Appropriate for grades 3 through 6—indicate number of students \_\_\_\_ E00092
- ☐ *Conservation I Can Do!* activity book: Appropriate for grades 1 through 6—indicate number of students \_\_\_\_ E00025
- ☐ *Lewis and Clark Outside In* magazine: Appropriate for grades 4 through 12—indicate number of students \_\_\_\_ E00119

# Junior & Senior High

A series of resource units for integrating conservation concepts into various curricular areas. Units include background information, lesson plans, quizzes and line art for overheads.

## Conservation Education Teacher Units

- ☐ *Missouri Deer Game: A Carrying Capacity Activity* E00049

# Programs

**Missouri Conservation Frontiers** An activity-oriented program for all Missourians dealing with the conservation of Missouri's natural resources. Participants advance through 13 levels of achievement by completing a wide range of activities adaptable for use by parents, teachers and youth leaders.

○ Please send information on the *Conservation Frontiers* program. E00073

**Missouri Stream Team Program** Volunteer groups of all kinds get involved in the Stream Team Program to monitor water quality, pick-up litter, stencil storm drains, educate their community and much more. If you'd like to help your group learn more about streams and watersheds, this program is for you!

○ Please send information on the *Missouri Stream Team Program*. FIS182

**Missouri Hunter Education Program** Trained volunteer instructors and Department staff teach hunter education courses to people across the state. Volunteer instructors are dedicated, concerned citizens who give their time to train new and prospective hunters. They receive training on firearms, proper firearms use, hunting traditions, ethics, the hunter and conservation, safe hunting practices and hunting responsibilities.

○ Please send information on the *Missouri Hunter Education Program*. HED025

**Missouri Project Learning Tree** A program of multi-disciplinary activities on forests, wildlife, soil, air and water. Available through a training workshop.

○ Please send information on the program and workshops. E00499

**Missouri Project WILD** A program of multi-disciplinary activities on wildlife and habitats. Available through a training workshop.

○ Please send information on the program and workshops. E00498

**Missouri Forestkeepers** This free program helps forest landowners, educators, students, parks and recreation professionals, scout troops and other interested individuals monitor forest health and learn more about this critically important resource.

○ Please send information on the *Missouri Forestkeepers* Program. F00020

**Missouri Outdoor Skills Education** This education program has a module series complete with content and activities. This series is designed for the middle school to high school level teacher who wants to incorporate outdoor skills education into their classroom. Outdoor skills specialists throughout the state have the expertise and equipment to help teachers use these modules.

○ *Basic Archery* HED095

○ *Basic Fishing* HED075

○ *Basic Principles* HED093

○ *Firearm Safety* HED082

○ *Map and Compass* HED078
